Conference Room B on 3rd Floor**

Legacy Salmon Creek: 2211 NE 139th St, Vancouver, WA

Legacy Salmon Creek's Conference Room B is located on the third floor across from the hospital cafeteria entrance! The hospital floors are a bit complicated because you come in on different levels from the parking garage and driveway entrance. Club Hope Infertility Support Group is based on a Christian perspective. It was started by CrossWay Church, because they have struggled with infertility issues. If you have any questions or would like more information, please contact us via phone at 360-828-1663 or email at [info@clubhopeinfertility.org](mailto:info@clubhopeinfertility.org)
